WILLARD WHITE CO.

Dear Sirs: I am writing this to let you know how much I appreciate what your tablets and cream have done for me. Last summer I had to wear high-neck and long-sleeve gowns, wherein this summer I feel proud of my plump neck and arms. In using the cream I rub my hands and arms with it every night as well as face and bust. I can scarcely believe I am the same person, My tollet table would be incomplete without both. I have recommended same to my friends. They are using it faithfully and think it as wonderful as I do. My husband is delighted with the change in my form. He states I look so much more stylish in the most simple of gowns. My skin is so soft and white, wherein it used to be rather yellow and hard. No one could hire me to use any other kind of cream or tablets. I belong to club which is called "Sans-Parlet," which means "we have no equal," so I fane placed your articles in that same class. I consider them exceptionally fine and far superior to any other. Hoping this will help others, I remain.

Your picture of the church, the photograph of yourself and sister, and your very witty and pleasing letter came all in a bundle, and made me feel I had my money's worth for that birthday.
